A British

By F. A. MITCHEL

Volunteer

Ralph Sackville left London to the plaudits of crowds of people who were viewing his regiment march to the station to be entrained for the coast and thence to Belgium. In six months he returned under very different circumstances. There were no crowds to greet him. Instead of the handkerchiefs waving from the windows and a wife. the sounds of martial music many of the blinds were closed, and there was only the rattle of the cab in which he was driven through the streets.

tion that occurred to him as suited to farmer to a pig raiser: feur. He was a gentleman without means and shrank from doing mental cured a position.

Miss Mildred Masse is in Montpelier to her room under her daughter's care, The significant part of her achievement out every day when the weather admitted. This was not very often, for the sun seldom shines in England. She

who were witnessing the departure of troops for the war. Drums were beating, flags were flying, and the air was filled with cheers.

"Isn't it splendid!" said Miss Duncan, partly to herself and partly to ber chauffeur. "If I were a man I would surely go to the war."

or an eye or perhaps all three," replied the chauffeur. "Well, I never!" exclaimed Miss Duncan in disgust. "Have you no patriot-

ism?" "I don't believe in a nation relying solely on its best men in case of war. I think every man of proper age should be liable to military duty. These sol-

diers are all volunteers." available cent of the firm's money, and the states was fought by volunteers. Our manliest men enlisted."

> bounty. Do you consider that justice?" "I don't know anything about that war. I was not born till many years

> after it had closed. It must be nice to be one of those noble men who volunteer. Don't you think so?" "No, I don't."

the class of laggards?"

in conscription. "There's nothing noble in a man going to war because he is obliged to go." "War is a duty, not something to be proud of. It is a horror. Did you ever

see men standing in line ready to face

death? "No, of course not."

"Every face is serious, solemn. Not word is spoken. They are like prisoners facing a firing squad, only with a prisoner death is certain, while with them it is probable, or, what is worse, they may expect to be maimed for life." "Are they cowards?"

"No; they are men, but when the fight is on they cease to be men and become wild beasts."

"It's a shame for you to talk in this way. Instead of sitting comfortably in an auto you should be among those noble fellows marching to war," "It will not be so fine when they

return. "They will come back victorious with their battle stained banners flying. greeted with the applause they de-

"Many of them will never come back. Many will hobble back. If the regiment returns as a unit most of its members will be men who are not marching now. Quite likely they will be conscripts; possibly they will have been paid to go."

By this time the troops had passed and the auto was released. Miss Duncan ordered her chauffeur to drive her to her hotel. She did not like his talk and resolved not to have bim drive her again. When she alighted he got down and handed her out. She noticed that he limped.

"What's the matter with your foot?" she asked.

> "It's made of wood." "How did you lose the real one?"
> "Fighting to Belgium." "Oh, how horrible!"

Then, red as a rose, she stalked into

The next day the young lady sent for Sackville to drive her out again, and, after berating him for not telling her that he had been a soldier, she forgave him. After all, he didn't lose so much by serving his country. He lost a foot, but he gained an American heiress for
